Governor Rauner has signed an education budget that has approved 92% funding of GSA (at the 2009 level) and also approved appropriations for those districts with little property wealth. We would get another 3% of GSA as one of the districts receiving those special appropriations. The Senate and House have yet to approve a state budget so these monies are just on paper as of this time. The Vandalia Alumni & Friends Foundation have a agree to be a financial partner with the VCUSD #203 1 to 1 Technology initiative.
