

VANDALIA COMMUNITY UNIT SCHOOL DISTRICT 203

1109 North Eighth Street

Vandalia IL 62471

July 1, 2018

Dear Parents/Guardians of incoming 12th graders,

Please be advised that all incoming 12th graders are required by Illinois State Law to show proof of having received **2 doses of MCV4/Menactra** (Meningococcal Conjugate Vaccine). The first dose should have been received on or after their 10th birthday, and the second dose received on or after their 16th birthday, spaced at least 8 weeks apart. If the first dose was received at 16 years of age or older, then only 1 dose is required for entry into 12th grade. Please have your health care professional or local health department check your child's immunization record and obtain the vaccine if needed. Please bring proof of receipt to August registration or to the school office.

Thank you for your cooperation.
