

VANDALIA COMMUNITY UNIT SCHOOL DISTRICT 203

1109 North Eighth Street

Vandalia IL 62471

July 1, 2018

Dear Parents/Guardians of incoming 2nd graders,

The State of Illinois requires all students entering Second Grade to show proof of having received a **dental exam** (dated after 11-15-17). The dental exam form is available at your dental office or on the school district's website. Please have your child's dentist complete and sign the form at the exam and return it at August registration or to the school office.

If you are unable to find a dentist, please fill out the appropriate forms at school registration in order for your child to participate in Dental Safari, the school dental program. It is very important that your child be at school on Dental Safari day to complete the requirement, or it will be up to you to make other arrangements to complete this.

Thank you for your cooperation.
